Hello,

My name is Olivia. My hometown is Tres Reyes, Quintana Roo, Mexico.

I'd like to tell you that my stay at VIM is very beneficial. Every week is another opportunity for me to learn and challenge myself. These last weeks have been the best. I have a heavy study load right now because the semester is coming to an end. But we are in the last days of classes, thanks be to God.

I love to study and I am working hard for my final exams. I alternate studying with my chores at the Mayan Children's Village and free time to enjoy with my friends. I am excited about Christmas coming up soon.

My desire is to thank you for thinking of me and sponsoring me, and I also wish a Merry Christmas to you and your whole family. Thanks a million for helping me and helping the Mayan Children's Village where all of my classmates continue their studies.

Blessings upon your family and all those around you. I bid you farewell with a hug for Christmas and wish you a Happy New Year filled with God's peace.
